1 Background

Reference is made to the Issuer's three outstanding bond loans, being the Existing Bonds, the senior secured callable fixed cash and compound interest rate bonds 2020/2025 with ISIN SE0014855276 (the "**Bonds 2025**") and the senior secured callable fixed cash and compound interest rate bonds 2020/2026 with ISIN SE0014855284 (the "**Bonds 2026**", together with the Existing Bonds and the Bonds 2025, the "**Bond Loans**" and each bond a "**Bond**").

As announced by the Issuer in a press release on 12 November 2025, the Issuer reached an agreement for a restructuring of its capital and debt structure (as further described below) (the "**Restructuring**") with a committee of certain larger Bondholders under the Bond Loans which at the time represented approximately 50.25 per cent. of the Adjusted Nominal Amount of the Bonds 2025, 48.04 per cent. of the Adjusted Nominal Amount of the Bonds 2026 and 72.08 per cent. of the Adjusted Nominal Amount of the Existing Bonds (the "**Ad Hoc Committee**")¹.

Pursuant to the Restructuring, the financing and equity structure of the Issuer will be restructured whereby, *inter alia*, the Bondholders will become new shareholders in the Issuer through a mandatory conversion of Bonds for new preference shares and new ordinary shares in the Issuer. Further, the Issuer will attempt to raise new money through a rights issue of ordinary shares. To implement the actions set out in the Restructuring, the Issuer proposes that the current financing and equity structure of the Issuer, and that the Issuer, is restructured as described in this Notice.

As announced by the Issuer in a press release on 24 October 2025 and as set out in the notices of written procedure under the Bonds dated 24 October 2025 (the "**WP Notices October 2025**"), the Issuer requested an approval to issue interim super senior bonds in a total nominal amount of up to SEK 62,500,000 (the "**Pre-Funding Bonds**") (the "**Pre-Funding Bond Loan**"). The Issuer has issued the Pre-Funding Bond Loan in a total nominal amount of SEK 37,500,000 resulting in the Issuer receiving SEK 30,000,000 in new money (all Pre-Funding Bonds were issued with an original issue discount (OID) at an issue price of not less than 80.00 per cent.).

For more information on the Pre-Funding Bonds, please refer to the WP Notices October 2025 which are available on the Issuer's and the Agent's websites.

The Issuer has, at the same time as this Notice, also sent notices of written procedure under the Bonds 2025 and the Bonds 2026 in order to obtain consent to issue the Pre-Funding Bonds (the "**Parallel Procedures**"). This Notice and the notices of the Parallel Procedures are available on the Issuer's website.

2 The Request

The Bondholders are hereby requested to approve the measures, actions and instruments for implementation of the amended financing and equity structure of the Group by way of consenting to the proposals set out in Section 3 (*The New Structure*) (the "**New Structure**") as well as to approve the measures and actions set out in Section 3.12 (*Authorisation of the Agent*) (together referred to as the "**Request**").

¹ The Ad Hoc Committee comprises: Nordstjernan, SEB Asset Management, Storebrand, IKC Fonder, DNB and Spiltan.

The Agent is informed that Bondholders representing an aggregate Adjusted Nominal Amount of approximately 50.25 per cent. of the Adjusted Nominal Amount of the Bonds 2025, 48.04 per cent. of the Adjusted Nominal Amount of the Bonds 2026 and 72.08 per cent. of the Adjusted Nominal Amount of the Existing Bonds have undertaken to vote in favour of the Request.

3 The New Structure

3.1 Overview of the New Structure

The New Structure will be implemented mainly as described in the relevant sections below. The exact and detailed structure for how the New Structure will be effectuated is however, without limitation, subject to tax and audit analysis and review. Therefore, the New Structure may be carried out through other means than as described in this Notice, provided that the result of such Altered New Structure (as defined below), in the opinion of the Ad Hoc Committee (without assuming any liability), is consistent with the principles as set out in this Notice..

The key steps in implementing the New Structure include the following.

(a) Issuance of new bonds

The Issuer will issue new senior secured bonds with a nominal amount of up to SEK 110,000,000 (the “**New Bonds**” and the “**New Bond Issue**”) to the holders of Bonds who have subscribed and received allocation for the New Bonds for the main purpose of refinancing the Bond Loans. For more information, please be referred to Section 3.2 (*New Bond Issue*) and Section 3.3 (*Offer to participate in the New Bond Issue*).

(b) Issuance of preference shares and ordinary shares

An extraordinary general meeting in the Issuer (the “**EGM**”) shall resolve on all relevant corporate resolutions to ensure the implementation of the Restructuring and the New Structure, including, among other things, (i) adopting a new share class of preference shares (the “**Preference Shares**”) and issue ordinary shares (the “**Ordinary Shares**”) as further set out in Sections 3.4 (*Mandatory debt to equity swap (Preference Shares)*) and 3.5 (*Mandatory debt to equity swap (Ordinary Shares)*) and (ii) to amend the articles of association to enable the proposed number of new Preference Shares and Ordinary Shares to be issued at the suggested subscription price as well as implementing the necessary provisions to enable the issue of the Preference Shares and Ordinary Shares. Following implementation of the New Structure (prior to the Rights Issue (as defined below)), the Bondholders will hold approximately 74 per cent. of the shares and votes of the Issuer.

To implement the Restructuring and New Structure, approval of shareholders representing not less than two-thirds of both the votes cast and the shares represented at the EGM is required. The Agent is informed that shareholders of the Issuer representing approximately 55.7 per cent. of the total shares and votes in the Issuer have undertaken to vote in favour of the Restructuring and New Structure on the EGM.

(c) Intercreditor agreement

The Intercreditor Agreement (as defined below) shall be amended as set out in Section 3.7 (*Proposed amendments to the Intercreditor Agreement*).

(d) **Rights issue**

The EGM shall also resolve to authorise the board of directors of the Issuer to resolve upon the rights issue of ordinary shares (the “**Rights Issue**”). The Issuer shall initiate the Rights Issue following the implementation of the other steps in the New Structure.

3.2 **New Bond Issue**

The Issuer shall raise up to SEK 47,500,000 in new money (including the SEK 30,000,000 in new money raised through the Pre-Funding Bond Loan) by way of issuing the New Bonds with a nominal amount of up to SEK 110,000,000. 3.3 Offer to participate in the New Bond Issue

(a) Subscription undertakings and Underwriters

Members of the Ad Hoc Committee (in this capacity, the “**Underwriters**”) have undertaken to subscribe for New Bonds in the New Bond Issue in an aggregate amount of SEK 12,500,000 (not including the Pre-Funding Bonds) (“**Underwritten Amount**”) meaning that New Bonds with a total nominal amount of SEK 25,000,000 are guaranteed to be subscribed for in the offer (subject to rounding). No compensation will be paid for the underwriting to the Underwriters.

The remaining total nominal amount of the New Bonds, being SEK 75,000,000, will be allocated to the participants in the Pre-Funding Bonds by way of roll-over of Pre-Funding Bonds into New Bonds in an amount of SEK 37,500,000 to convert of up to SEK 37,500,000 of Bonds into New Bonds.

(b) Offer to participate

All holders of Bonds are hereby invited to subscribe for participation in the New Bond Issue up to the Underwritten Amount (i.e. a total nominal amount of SEK 35,000,000) in the New Bonds (SEK 17,500,000 to be paid in cash and to convert of up to SEK 17,500,000 of Bonds into New Bonds). An amount equal to the Underwritten Amount of the New Bonds will be offered to all holders of Bonds which will entail a roll over (conversion) of Bonds into New Bonds in the ratio 1:1 (i.e. if a holder subscribes and receives allocation for SEK 1,250,000 in new money in the New Bonds, it will roll over (convert) SEK 1,250,000 of Bonds into New Bonds).

To be eligible to subscribe for participation in the New Bond Issue, a person must meet the criteria for being a Bondholder. This means that the person must be registered on a Securities Account with the CSD, as a direct registered owner (Sw. *direktregistrerad ägare*) or authorised nominee (Sw. *förvaltare*) with respect to one or several Bonds.

Subscription to receive New Bonds can be made during the period 26 November 2025 – 15 December 2025 (15.00 CET) in accordance with the instructions set out below.

To subscribe to receive New Bonds, the following actions must be taken:

- (i) complete and deliver the subscription form (authorised signature by the beneficial holder of the Bonds or any person (entity or individual) with authority to manage and act in relation to the holding of such beneficial holder) (the “**Subscription Form**”) as set out in Schedule 3 (*Subscription Form for New Bonds*); and
- (ii) submit the Subscription Form to Aqurat Fondkommission AB (info@aqurat.se) in accordance with the instructions in the Subscription Form so that it is received no later than 15 December 2025 (15.00 CET).

Detailed instructions on how to subscribe to receive New Bonds are set out in the Subscription Form. The Subscription Form will constitute an irrevocable and binding commitment to participate in the New Bond Issue on the terms set out therein.

The minimum allowed subscription for the New Bonds is SEK 1,250,000 and thereafter integral multiple of SEK 1,250,000.

Note that all remaining Bonds not rolled-over (converted) will be mandatorily swapped to Preference Shares and Ordinary Shares as further set out in Sections 3.4 (Mandatory debt to equity swap (Preference Shares)) and 3.5 (Mandatory debt to equity swap (Ordinary Shares)) below.

In order to carry out the allocation of the Underwritten Amount of the New Bonds among the subscribers, the nominal amount of the New Bonds will be divided into new bond units where each unit comprises a cash payment of SEK 1,250,000 and a payment by way of roll-over (conversion) of SEK 1,250,000 of Bonds into New Bonds (“**New Bond Unit**”). That is, there are in total 14 New Bond Units which may be allocated to the holders of Bonds. Each New Bond Unit represents SEK 2,500,000 of the total aggregate nominal amount of the New Bonds (i.e. SEK 35,000,000 divided with SEK 2,500,000).

The Roll-Over Bonds will be converted without any accrued and unpaid interest on such Roll-Over Bonds.

(c) Allocation principles

The 14 New Bond Units will be allocated as follows:

- (i) *firstly*, on a *pro forma* basis (based on the individual Bondholder's holdings of Bonds compared to the total holdings of Bonds of all participating Bondholders) subject to rounding with priority for larger Bondholders up to the subscribed number of New Bond Units, and
- (ii) *secondly*, to the Underwriters (should any New Bond Units remain) on a *pro forma* basis (based on the individual Underwriter's holdings of Bonds compared to the total holdings of Bonds of all Underwriters) subject to rounding with priority for larger Underwriters up to the subscribed number of New Bond Units.

3.4 Mandatory debt to equity swap (Preference Shares)

Following the issue of the New Bonds, the Issuer shall carry out a mandatory debt to equity swap pursuant to which an aggregate nominal amount of SEK 1,249,982,000 of the Bonds (after the roll-over of Bonds into the New Bonds) will be mandatorily off-set against Preference Shares in the Issuer on a *pro rata* basis (in each case not including any deferred interest or any accrued but unpaid interest) (the “**Mandatory D/E Swap (Preference Shares)**”). Each holder of one (1) Bond will receive 10,813 Preference Shares against payment of SEK 1,081,300 of the nominal amount of each Bond. The key terms of the Preference Shares are the following.

Amount:	SEK 1,249,982,000 (in total, 12,499,828 Preference Shares will be issued).
Yield:	The Preference Shares will bear a fixed interest rate of 6.5 per cent. PIK interest <i>per annum</i> from and including the point in time for when the preference shares for the first time are registered with the Swedish Companies Registration Office. Interest shall be capitalised yearly as of 31 December (and for the first time 31 December 2026) and thereafter bear interest at the applicable interest rate.
Issue Price:	The Preference Shares are issued with a subscription price per Preference Share of SEK 100.
Redemption Amount:	The Preference Share Issue Price per Preference Share plus any capitalised interest and all accrued and unpaid not yet capitalised interest at any given time.
Liquidation and dividend preference:	For so long as any Preference Shares remain outstanding, no dividend or distribution shall be paid or otherwise transferred from the Issuer with respect to any class of shares other than the Preference Shares. In the event the Issuer is liquidated, the Preference Shares shall have priority over the Ordinary Shares to receive the Redemption Amount from the Issuer's assets at the time of the liquidation (and if there is a shortfall, on a <i>pro rata</i> basis), following which the remaining proceeds, if any, are to be distributed among the Ordinary Shares on a <i>pro rata</i> basis.
Voting rights:	Each Preference Share will represent one (1) vote. The Preference Shares correspond to approximately 4.2 per cent. of the votes in the Issuer after the implementation of the New Structure (prior to any Rights Issue).
Redemption:	The Issuer through a decision by the board of directors shall have the right, at its sole discretion, to redeem any, some or all of the outstanding Preference Shares at any time paying the Redemption Amount. If not all Preference Shares are redeemed at a redemption occurrence, the redemption shall be carried out on a <i>pro rata</i> basis.

Restricted matters:	For so long as any Preference Shares remain outstanding, the Issuer shall not, in addition to any majority requirements and other rights that may follow from the Swedish Companies Act, without the support of holders of at least 90 per cent. of the Preference Shares represented at the general meeting, representing not less than two-thirds of the outstanding Preference Shares, take any action to (a) amend the rights, preferences, or privileges of the Preference Shares; (b) authorise or issue any new class or series of shares ranking senior to the Preference Shares as to dividends or liquidation; (c) save as by way of share split, authorize or issue any new Preference Shares; or (d) repurchase or redeem any shares other than the Preference Shares.
Articles of association	The new articles of association are attached hereto as Schedule 5 (<i>New articles of association</i>).
Listing:	The Preference Shares will be listed on Nasdaq Stockholm (or any other Regulated Market) within 12 months of the issue date.

3.5 Mandatory debt to equity swap (Ordinary Shares)

Following the issue of New Bonds, the Issuer shall carry out a mandatory debt to equity swap pursuant to which a part of the aggregate nominal amount of the Bonds (after the roll-over of Bonds into the New Bonds) including deferred interest and accrued interest of the Bonds and the Roll-Over Bonds will be mandatorily off-set against Ordinary Shares in the Issuer (the “**Mandatory D/E Swap (Ordinary Shares)**”) subject to rounding *pro rata* among the holders of each Bond Loan and the Roll-Over Bonds (as applicable). The Ordinary Shares are issued with a subscription price per Ordinary Share of SEK 1.9.

The Mandatory D/E Swap (Ordinary Shares) in relation to the Bonds will be made with an aggregate amount equal to:

- (i) an aggregate nominal amount of up to SEK 195,080,000 of the Bonds (corresponding to the remaining aggregate nominal amount of the Bonds after the New Bonds Issue and the Mandatory D/E Swap (Preference Shares)); plus
- (ii) in relation to:
 - (A) Bonds 2025 only, aggregate default interest, deferred interest and accrued but unpaid interest under the Bonds 2025;
 - (B) Bonds 2026 only, aggregate deferred interest and accrued but unpaid interest under the Bonds 2026; and
 - (C) Bonds 2027 only, aggregate deferred interest and accrued but unpaid interest under the Bonds 2027,

to be as per the record date for the Mandatory D/E Swap (Preference Shares) and the Mandatory D/E Swap (Ordinary Shares) (for the receipt of Preference Shares and Ordinary Shares for the Bondholders) (jointly referred to as the “**Set-Off Bond Amount (Ordinary Shares)**”).

The Mandatory D/E Swap (Ordinary Shares) in relation to the Roll-Over Bonds will be made with an aggregate amount equal to aggregate default interest, deferred interest and accrued but unpaid interest under the Roll-Over Bonds up to and including the date of roll-over into New Bonds (the “**Set-Off Roll-Over Bond Amount (Ordinary Shares)**”).

Calculating the aggregate default interest, deferred interest and accrued but unpaid interest under the Bonds as per 22 December 2025, each holder of one (1) Bond 2025 would receive 182,930 Ordinary Shares, each holder of one (1) Bond 2026 would receive 177,499 Ordinary Shares and each holder of one (1) Bond 2027 would receive 170,528 Ordinary Shares. The holders of Bonds would then have received in total 530,957 Ordinary Shares.

Calculating the aggregate default interest, deferred interest and accrued but unpaid interest under the Bonds as per 22 December 2025, each holder of one (1) Roll-Over Bond would receive 1,858 Ordinary Shares

Payment for the Ordinary Shares will be made by mandatorily off-set against the Set-Off Bond Amount and Set-Off Roll-Over Bond Amount (Ordinary Shares) in the Mandatory D/E Swap (Ordinary Shares) subject to rounding *pro rata* among the holders of each Bond Loan and the Roll-Over Bonds (as applicable). Should any default interest, deferred interest and accrued but unpaid interest remain after allocation *pro rata* and rounding, such amounts will be written off in its entirety.

Each Ordinary Share will represent 1 vote. The Ordinary Shares will be listed on Nasdaq Stockholm as soon as possible following the issue date.

3.6 Summary of results post implementation of the New Structure

Following the New Bond Issue, the Mandatory D/E Swap (Preference Shares) and the Mandatory D/E Swap (Ordinary Shares):

Bondholders:	209,284,720	12,499,828	74%

3.7 Proposed amendments to the Intercreditor Agreement

Reference is made to the intercreditor agreement originally dated 8 November 2023 as amended and restated by an amendment and restatement agreement dated 17 November 2025 entered into between the Issuer as issuer and the Agent as 2025 original bonds agent, 2026 original bonds agent, 2027 original bonds agent, original interim bonds agent and original security agent (the “**Intercreditor Agreement**”). Pursuant to the Intercreditor agreement, the Transaction Security shall be granted with first priority ranking in respect of the Super Senior Debt and the Senior Debt, *pari passu* (each term as defined in the Intercreditor agreement).

In order to reflect that Transaction Security shall not be granted with first priority ranking in respect of the Super Senior Debt, but that the Super Senior Debt shall keep its super senior ranking with priority of payment over the Senior Debt, the Issuer proposes to amend and restate the Intercreditor Agreement as described below (the “**Proposed ICA Amendments**”). The Intercreditor Agreement as amended and restated by the Proposed Amendments is hereafter referred to as the “**Amended and Restated Intercreditor Agreement**”.

The proposed amendments to the Intercreditor Agreement are described below.

- (i) The Transaction Security shall not be shared with the Super Senior Debt pursuant to the Intercreditor agreement and the Super Senior Debt shall not be included in the Secured Obligations.
- (ii) The Super Senior Debt shall be unsecured (other than the Interim Bonds Only Transaction Security).
- (iii) The Super Senior Debt shall continue to be ranked super senior in right and priority of payment over the Senior Debt and pursuant to clause 13.1 (*Order of Application*).
- (iv) A Secured Party that receives any Recovery (including by way of set-off) in excess of what is permitted pursuant to this Agreement shall notify the Security Agent and forthwith pay such amount to the Security Agent for application in accordance with clause 13.1 (*Order of Application*) with priority to the Super Senior Debt.

The Amended and Restated Intercreditor Agreement shall include amendments which reflect the above item, including, without limitation, any corresponding changes to creditor ranking, enforcement provisions and the distribution waterfall.

3.8 Rights Issue

The Issuer shall launch the Rights Issue with an amount of up to at least SEK 50,000,000 within 120 days following the completed issuance of the Preference Shares and the Ordinary Shares.

Any discount for the price in the Rights Issue is to be finally determined in good faith between the Ad Hoc Committee and the Issuer but the issue price shall in any case not be lower than SEK 0.5 per ordinary share (the “**Minimum Issue Price**”).

The Issuer and certain larger shareholders shall on a best effort basis obtain commitments from existing shareholders and third party investors to underwrite the Rights Issue. No underwriting fee or other remuneration shall be paid to any underwriters being existing shareholders or its affiliates (other than the discount applicable in the Right Issue to all subscribers).

3.9 Blocked period

In order to ensure that the New Structure can be implemented as set forth in this Notice, trading of Bonds shall be blocked in the CSD systems from a date after close of the Written Procedure as announced by the Issuer by way of notice to the Bondholders until the date of delivery of the New Bonds, the Preference Shares and the Ordinary Shares (the “**Blocked Period**”). During the Blocked Period, the Bondholders are not permitted to execute any trades in the Bonds and no trades in the Bonds can be registered with the CSD (whether conducted through any stock exchange or over the counter).

3.10 New Structure Documents

The New Bonds Terms and Conditions, the Amended and Restated Intercreditor Agreement, corporate resolutions, relevant documents for the transaction security and any other documents or agreements relating to the New Structure are hereinafter referred to as the “**New Structure Documents**”.

All Bondholders are strongly encouraged to review and consider the New Structure Documents attached to this Notice.

The Bondholders understand that the New Structure Documents are still subject to further analysis and review and that the final versions may contain amendments based on the principal terms set out in this Notice.

3.11 Tax

The Issuer shall not be responsible for any cost coverage and gross-up undertaking towards any party with respect to the New Bond Issue, the issuance of Preference Shares, the issuance of Ordinary Shares or any other transaction contemplated by this Notice, any proceedings or disputes with the Swedish Tax Authority due to the New Structure or any adverse tax effects for any party.

Each Bondholder must make its own determination as to the tax consequences of the transactions contemplated in this Notice and the New Structure and each Bondholder is strongly encouraged to consult a qualified tax adviser for information with respect to the tax consequences that may arise in each individual case, including but not limited to the applicability and effect of foreign income tax rules, provisions contained in double taxation treaties and other rules, which may be applicable. Neither the Issuer nor its affiliates, agents, advisors or representatives assumes any responsibility for any tax implications or consequences of the transactions contemplated by the New Structure.

3.12 Authorisation to the Agent

The Bondholders are hereby requested to approve that the Agent is irrevocably and unconditionally authorised on behalf of the Bondholders:

- (a) to take any actions and/or decisions that are deemed necessary and relevant to complete the New Structure or any Altered New Structure (as defined below), as the case may be (in the sole discretion of the Agent) including but not limited to entering into all

agreements and/or documents related to the New Structure on behalf of the Bondholders and subscribe to the Shares in the Issuer on behalf of the Bondholders and to take any other action deemed required and as instructed by the Ad Hoc Committee in order to implement the Request; and

- (b) upon instruction by the Ad Hoc Committee, to alter the New Structure and the contemplated implementation measures based on the results from any tax and audit analysis and review and make any other amendment to any Finance Document and New Structure Documents (as defined below) as long as the result of such altered New Structure or amendment, in the opinion of the Ad Hoc Committee (without assuming any liability), is consistent with the principles as described in this Notice (the “**Altered New Structure**”).

The Issuer, by issuing this Notice, and the Bondholders, by voting for the Request, acknowledge and agree that (i) the Agent and the Ad Hoc Committee, when acting in accordance with the authorisation instructions set out in this Section 3.12 or otherwise set out in this Notice, and the Ad Hoc Committee, when giving such instructions, are fully discharged from any liability whatsoever and (ii) the Ad Hoc Committee does not “act for” the Bondholders in any representative capacity and has no duty of care to the Issuer, the Group or any Bondholder and (iii) the Agent and the Ad Hoc Committee shall never be responsible for any loss (whether direct or indirect) of any member of the Group or any Bondholder. For the purpose of carrying out the actions described in this Section 3.12 the Agent shall be entitled to require that the Ad Hoc Committee confirms that any implementation steps are approved and in line with the New Structure or any Altered New Structure.

Clauses 19.3.1 and 19.3.4 of the Terms and Conditions shall apply to this Written Procedure, provided that (i) any reference to “negligence” shall be deemed to be a reference to “gross negligence” and (ii) any reference to “Bondholders” shall include a reference to the Ad Hoc Committee.

The Amended and Restated Intercreditor Agreement shall come into effect immediately upon the Approval Date.

The Request (other than the Amended and Restated Intercreditor Agreement) will come into effect upon the Agent having received the following documentation and evidence (the “**Effective Date**”):

- (b) copies of corporate resolutions (approving the transaction contemplated by this Notice, the New Structure and the New Structure Documents) for the Issuer and each other Group Company being a party thereto;

6 Written Procedure

The following instructions need to be adhered to in the Written Procedure.

6.1 Final date to participate in the Written Procedure

The Agent must have received the votes by mail, courier or email to the address indicated below no later than 15:00 CET, on 15 December 2025. Votes received thereafter may be disregarded.

6.2 Decision procedure

The Agent will determine if received replies are eligible to participate in the Written Procedure as valid votes.

When a requisite majority of consents of the total Adjusted Nominal Amount have been received by the Agent, the Request shall be deemed to be adopted, even if the time period for replies in the Written Procedure has not yet expired.

Information about the decision taken in the Written Procedure will:

- (a) be sent by notice to the Bondholders; and
- (b) be published on the websites of the Issuer and the Agent.

A matter decided in the Written Procedure will be binding for all Bondholders, irrespective of them responding in the Written Procedure.

6.3 Voting rights and authorisation

Anyone who wishes to participate in the Written Procedure must on the Record Date (2 December 2025) in the debt register:

- (a) be registered as a direct registered owner of a Securities Account;
- (b) be registered as authorised nominee in a Securities Account, with respect to one or several Existing Bonds; or
- (c) be a beneficial owner of an Existing Bond with proof of ownership of the Existing Bonds acceptable to the Agent.

6.4 Existing Bonds registered with a nominee

If you are not registered as a direct registered owner as set forth in Section 6.3(a), but your Existing Bonds are held through a registered authorised nominee or another intermediary as set forth in Section 6.3(b), you may have two different options to influence the voting for the Existing Bonds:

- (a) you can ask the authorised nominee or other intermediary that holds the Existing Bonds on your behalf to vote in its own name as instructed by you; or

- (b) you can obtain a Power of Attorney (Schedule 2) from the authorised nominee or other intermediary and send in your own Voting Form based on the authorisation. If you hold your Existing Bonds through several intermediaries, you need to obtain authorisation directly from the intermediary that is registered in the debt register as Bondholder of the Securities Account, or from each intermediary in the chain of Bondholders, starting with the intermediary that is registered in the debt register as a Bondholder of the Securities Account as authorised nominee or direct registered owner.

Whether one or both of these options are available to you depends on the agreement between you and the authorised nominee or other intermediary that holds the Existing Bonds on your behalf (and the agreement between the intermediaries, if there are more than one).

The Agent recommends that you contact the securities firm that holds the Existing Bonds on your behalf for assistance, if you wish to participate in the Written Procedure and do not know how your Existing Bonds are registered or need authorisation or other assistance to participate. Existing Bonds owned by the Issuer, another Group Company or an Affiliate do not entitle to any voting rights.

6.5 Quorum

To approve the Request, Bondholders representing at least twenty (20) per cent. of the Adjusted Nominal Amount must reply to the Request in the Written Procedure in order to form a quorum.

If a quorum does not exist, the Agent shall initiate a second Written Procedure, provided that the Request has not been withdrawn by the Issuer. No quorum requirement will apply to such second Written Procedure. A vote cast in the Written Procedure shall, unless amended or withdrawn, constitute a vote also in a second Written Procedure (if any) pursuant to the Terms and Conditions with respect to the Request.

6.6 Majority

At least two thirds (2/3) of the Adjusted Nominal Amount for which Bondholders reply in the Written Procedure must consent to the Request in order for it to pass.

6.7 Address for sending replies

 - (ii) *secondly*, to the Underwriters (should any New Bond Units remain) on a pro forma basis (based on the individual Underwriter’s holdings of Bonds compared to the total holdings of Bonds of all Underwriters) subject to rounding with priority for larger Underwriters up to the subscribed number of New Bond Units.

This includes, but is not limited to, any amendment to, or waiver of, the terms of any Finance Document that does not require a higher majority (other than an amendment permitted pursuant to Clause 19(a)(i) or 19(a)(ii)), an acceleration of the Bonds, or the enforcement of any Transaction Security.

- (g) Quorum at a Bondholders' Meeting or in respect of a Written Procedure only exists if a Bondholder (or Bondholders) representing at least fifty (50) per cent. of the Adjusted Nominal Amount in case of a matter pursuant to Clause 16(e), and otherwise twenty (20) per cent. of the Adjusted Nominal Amount:

- (o) Information about decisions taken at a Bondholders' Meeting or by way of a Written Procedure shall promptly be published on the websites of the Group and the Agent, provided that a failure to do so shall not invalidate any decision made or voting result achieved. The minutes from the relevant Bondholders' Meeting or Written Procedure shall at the request of a Bondholder be sent to it by the Issuer or the Agent, as applicable.

17. Bondholders' Meeting

- (d) When the requisite majority consents of the total Adjusted Nominal Amount pursuant to Clauses 16(e) and 16(f) have been received in a Written Procedure, the relevant decision shall be deemed to be adopted pursuant to Clause 16(e) or 16(f), as the case may be, even if the time period for replies in the Written Procedure has not yet expired.
- (e) The Agent may, during the Written Procedure, provide information to the Issuer by way of updates whether or not quorum requirements have been met and about the eligible votes received by the Agent, including the portion consenting or not consenting to the proposal(s) or refraining from voting (as applicable).

19. Amendments and Waivers

- (a) The Issuer and the Agent and/or the Security Agent (as applicable) (in each case acting on behalf of the Bondholders) may agree to amend the Finance Documents or waive any provision in a Finance Document, provided that:

- (i) such amendment or waiver is not detrimental to the interest of the Bondholders, or is made solely for the purpose of rectifying obvious errors and mistakes;

 - (iii) such amendment or waiver has been duly approved by the Bondholders in accordance with Clause 16 (*Decisions by Bondholders*).
- (b) The consent of the Bondholders is not necessary to approve the particular form of any amendment to the Finance Documents. It is sufficient if such consent approves the substance of the amendment or waiver.
- (c) The Agent shall promptly notify the Bondholders of any amendments or waivers made in accordance with Clause 19(a), setting out the date from which the amendment or waiver will be effective, and ensure that any amendments to the Finance Documents are published in the manner stipulated in Clause 11.3 (*Publication of Finance Documents*). The Issuer shall ensure that any amendments to the Finance Documents are duly registered with the CSD and each other relevant organisation or authority, to the extent such registration is possible with the rules of the relevant CSD.

20.1 Appointment of Agent and the Security Agent

- (a) By subscribing for Bonds, each initial Bondholder appoints the Agent and the Security Agent to act as its agent and security agent (as applicable) in all matters relating to the Bonds and the Finance Documents, and authorises each of the Agent and the Security Agent to act on its behalf (without first having to obtain its consent, unless such consent is specifically required by these Terms and Conditions) in any legal or arbitration proceedings relating to the Bonds held by such Bondholder including any legal or arbitration proceeding relating to the perfection, preservation, protection or enforcement of the Transaction Security.
- (b) By acquiring Bonds, each subsequent Bondholder confirms the appointment and authorisation for the Agent and the Security Agent to act on its behalf, as set forth in paragraph (a) above.
- (c) Each Bondholder shall immediately upon request provide the Agent and the Security Agent with any such documents, including a written power of attorney (in form and substance satisfactory to the Agent or the Security Agent, as applicable), that the Agent or the Security Agent (as applicable) deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents. Neither the Agent nor the Security Agent is under

any obligation to represent a Bondholder which does not comply with such request.

- (d) The Issuer shall promptly upon request provide the Agent and the Security Agent with any documents and other assistance (in form and substance satisfactory to the Agent or the Security Agent, as applicable), that the Agent or the Security Agent (as applicable) deems necessary for the purpose of exercising its rights and/or carrying out its duties under the Finance Documents.
- (e) Each of the Agent and the Security Agent is entitled to fees for its respective work and to be indemnified for costs, losses and liabilities on the terms set out in the Finance Documents and the Agent's and the Security Agent's respective obligations as Agent and Security Agent (as applicable) under the Finance Documents are conditioned upon the due payment of such fees and indemnifications.
- (f) Each of the Agent and the Security Agent may act as agent or trustee for several issues of securities or other loans issued by or relating to the Issuer and other Group Companies notwithstanding potential conflicts of interest.

20.2 Duties of the Agent and the Security Agent

Neither the Agent nor the Security Agent is responsible for the content, valid execution, legal validity or enforceability of the Finance Documents or the perfection of the Transaction Security.
- (b) When acting in accordance with the Finance Documents, each of the Agent and the Security Agent is always acting with binding effect on behalf of the Bondholders. Each of the Agent and the Security Agent shall carry out its duties under the Finance Documents in a reasonable, proficient and professional manner, with reasonable care and skill.
- (c) Each of the Agent's and the Security Agent's duties under the Finance Documents are solely mechanical and administrative in nature and the Agent and the Security Agent only acts in accordance with the Finance Documents and upon instructions from the Bondholders, unless otherwise set out in the Finance Documents. In particular, neither the Agent nor the Security Agent is acting as an advisor (whether legal, financial or otherwise) to the Bondholders or any other Person.
- (d) Neither the Agent nor the Security Agent is obligated to assess or monitor the financial condition of the Issuer or compliance by the Issuer of the terms of the Finance Documents unless to the extent expressly set out in the Finance Documents, or to take any steps to ascertain whether any Event of Default (or any event that may lead to an Event of Default) has occurred. Until it has actual knowledge to the contrary, each of the Agent and the Security Agent is entitled

to assume that no Event of Default (or any event that may lead to an Event of Default) has occurred.

- (e) Each of the Agent and the Security Agent is entitled to delegate its duties to other professional parties, but each of them shall remain liable for the actions of such parties under the Finance Documents.
- (f) Each of the Agent and the Security Agent shall treat all Bondholders equally and, when acting pursuant to the Finance Documents, act with regard only to the interests of the Bondholders and shall not be required to have regard to the interests or to act upon or comply with any direction or request of any other Person, other than as explicitly stated in the Finance Documents.
- (g) Each of the Agent and the Security Agent is entitled to engage external experts when carrying out its duties under the Finance Documents. Any compensation for damages or other recoveries received by the Agent and/or the Security Agent from external experts engaged by it for the purpose of carrying out its duties under the Finance Documents shall be distributed in accordance with Clause 15 (*Distribution of Proceeds*).
- (h) Notwithstanding any other provision of the Finance Documents to the contrary, neither the Agent nor the Security Agent is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation.
- (i) If in the Agent's or Security Agent's (as applicable) reasonable opinion the cost, loss or liability which it may incur (including its respective reasonable fees) in complying with instructions of the Bondholders, or taking any action at its own initiative, will not be covered by the Issuer, or the Bondholders (as applicable), the Agent or the Security Agent (as applicable) may refrain from acting in accordance with such instructions, or taking such action, until it has received such funding or indemnities (or adequate Security has been provided therefore) as it may reasonably require.
- (j) Unless it has actual knowledge to the contrary, each of the Agent and the Security Agent may assume that all information provided by or on behalf of the Issuer (including by its advisors) is correct, true and complete in all aspects.
- (k) Each of the Agent and the Security Agent shall give a notice to the Bondholders (i) before it ceases to perform its obligations under the Finance Documents by reason of the non-payment by the Issuer of any fee or indemnity due to the

Agent or the Security Agent under the Finance Documents or (ii) if it refrains from acting for any reason described in Clause 20.2(i).

20.3 Limited liability for the Agent and the Security Agent

- (a) Neither the Agent nor the Security Agent will be liable to the Bondholders for damage or loss caused by any action taken or omitted by it under or in connection with any Finance Document, unless directly caused by its negligence or wilful misconduct. Neither the Agent nor the Security Agent shall be responsible for indirect loss.
- (b) Neither the Agent nor the Security Agent shall be considered to have acted negligently if it has acted in accordance with advice addressed to it from or opinions of reputable external experts or if it has acted with reasonable care in a situation when it considers that it is detrimental to the interests of the Bondholders to delay the action in order to first obtain instructions from the Bondholders.
- (c) Neither the Agent nor the Security Agent shall be liable for any delay (or any related consequences) in crediting an account with an amount required pursuant to the Finance Documents to be paid by it to the Bondholders, provided that it has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by it for that purpose.

The Issuer may, at a Bondholders' Meeting convened by it or by way of Written Procedure initiated by it, propose to the Bondholders that the Agent and/or the Security Agent be dismissed and a new Agent and/or a new Security Agent (as applicable) be appointed.
- (d) If the Bondholders have not appointed a successor Agent and/or successor Security Agent within ninety (90) days after (i) the earlier of the notice of resignation was given or the resignation otherwise took place or (ii) the Agent and/or the Security Agent was dismissed through a decision by the Bondholders, the Issuer shall appoint a successor Agent and/or successor Security Agent (as applicable) which shall be an independent financial institution or other reputable company which regularly acts as agent under debt issuances.
- (e) The retiring Agent and/or the retiring Security Agent (as applicable) shall, at its own cost, make available to the successor Agent and/or the successor Security Agent (as applicable) such documents and records and provide such assistance as the successor Agent and/or successor Security Agent may reasonably request for the purposes of performing its functions as Agent and/or the Security Agent (as applicable) under the Finance Documents.
- (f) The Agent's and the Security Agent's resignation or dismissal shall only take effect upon the appointment of a successor Agent and/or the successor Security Agent (as applicable) and acceptance by such successor Agent and/or the successor Security Agent (as applicable) of such appointment and the execution of all necessary documentation to effectively substitute the retiring Agent and/or the retiring Security Agent (as applicable).
- (g) Upon the appointment of a successor, the retiring Agent and/or the retiring Security Agent shall be discharged from any further obligation in respect of the Finance Documents but shall remain entitled to the benefit of the Finance Documents and remain liable under the Finance Documents in respect of any action which it took or failed to take whilst acting as Agent and/or the Security Agent (as applicable). Its successor, the Issuer and each of the Bondholders shall have the same rights and obligations amongst themselves under the Finance Documents as they would have had if such successor had been the original Agent and/or the Security Agent.
- (h) In the event that there is a change of the Agent and/or the Security Agent in accordance with this Clause 20.4, the Issuer shall execute such documents and take such actions as the new Agent and/or the new Security Agent may

reasonably require for the purpose of vesting in such new Agent and/or the new Security Agent (as applicable) the rights, powers and obligation of the Agent and/or the Security Agent and releasing the retiring Agent and/or the retiring Security Agent (as applicable) from its respective further obligations under the Finance Documents. Unless the Issuer and the new Agent and/or the new Security Agent agrees otherwise, the new Agent and/or the new Security Agent shall be entitled to the same fees and the same indemnities as the retiring Agent and/or the retiring Security Agent (as applicable).

21. Appointment and Replacement of the CSD

- (a) The Issuer has appointed the CSD to manage certain tasks under these Terms and Conditions and in accordance with the CSD regulations and the other regulations applicable to the Bonds.
- (b) The CSD may be dismissed by the Issuer provided that the Issuer has effectively appointed a replacement CSD that accedes as CSD at the same time as the old CSD is dismissed and provided also that the replacement does not have a negative effect on any Bondholder. The replacing CSD must be authorized to professionally conduct clearing operations pursuant to the Central Securities Depository Regulation (Regulation (EU) No 909/2014) and be authorized as a central securities depository in accordance with the Financial Instruments Accounts Act.

22. Appointment and Replacement of the Issuing Agent

- (b) The Issuing Agent may retire from its assignment or be dismissed by the Issuer, provided that the Issuer has approved that a commercial bank or securities institution approved by the CSD accedes as new Issuing Agent at the same time as the old Issuing Agent retires or is dismissed. If the Issuing Agent is Insolvent, the Issuer shall immediately appoint a new Issuing Agent, which shall replace the old Issuing Agent as issuing agent in accordance with these Terms and Conditions.

23. No Direct Actions by Bondholders

- (a) A Bondholder may not take any steps whatsoever against the Issuer or with respect to the Transaction Security to enforce or recover any amount due or owing to it pursuant to the Finance Documents, or to initiate, support or procure the winding-up, dissolution, liquidation, company reorganisation (Sw. *företagsrekonstruktion*) or bankruptcy (Sw. *konkurs*) (or its equivalent in any other jurisdiction) of the Issuer in relation to any of the liabilities of the Issuer under the Finance Documents.
- (b) Clause 23(a) shall not apply if the Agent has been instructed by the Bondholders in accordance with the Finance Documents to take certain actions but fails for

any reason to take, or is unable to take (for any reason other than a failure by a Bondholder to provide documents in accordance with Clause 20.1(c)), such actions within a reasonable period of time and such failure or inability is continuing. However, if the failure to take certain actions is caused by the non-payment by the Issuer of any fee or indemnity due to the Agent under the Finance Documents or by any reason described in Clause 20.2(i), such failure must continue for at least forty (40) Business Days after notice pursuant to Clause 20.2(k) before a Bondholder may take any action referred to in Clause 23(a).

- (c) The provisions of Clause 23(a) shall not in any way limit an individual Bondholder's right to claim and enforce payments which are due to it under Clause 9.5 (*Mandatory repurchase due to a Change of Control Event, Listing Failure Event or Delisting (put option)*) or other payments which are due by the Issuer to some but not all Bondholders.

24. Prescription

The right to receive payment of interest (excluding any capitalised interest) shall be prescribed and become void three (3) years from the relevant due date for payment. The Issuer is entitled to any funds set aside for payments in respect of which the Bondholders' right to receive payment has been prescribed and has become void.
- (b) If a limitation period is duly interrupted in accordance with the Swedish Act on Limitations (*Sw. preskriptionslag (1981:130)*), a new limitation period of ten (10) years with respect to the right to receive repayment of the principal of the Bonds, and of three (3) years with respect to receive payment of interest (excluding capitalised interest) will commence, in both cases calculated from the date of interruption of the limitation period, as such date is determined pursuant to the provisions of the Swedish Act on Limitations.

If the Issuer does not promptly issue a press release and the Agent considers it necessary to issue a press release containing such information before it can lawfully send a notice containing such information to the Bondholders, the Agent shall be entitled to issue such press release.

26. Force Majeure and Limitation of Liability

- (a) None of the Agent, the Security Agent or the Issuing Agent shall be held responsible for any damage arising out of any legal enactment, or any measure taken by a public authority, or war, strike, lockout, boycott, blockade or any other similar circumstance (a "**Force Majeure Event**"). The reservation in respect of strikes, lockouts, boycotts and blockades applies even if the Agent, the Security Agent or the Issuing Agent itself takes such measures, or is subject to such measures.
- (b) The Issuing Agent shall have no liability to the Bondholders if it has observed reasonable care. The Issuing Agent shall never be responsible for indirect damage with exception of gross negligence and wilful misconduct.

Two classes of shares may be issued: ordinary shares and preference shares. Ordinary shares may be issued in a number corresponding to the full share capital. Preference shares may be issued in a number corresponding to a maximum of 12,499,828 preference shares.

2. Röstetal / Number of votes

3. Begränsning avseende utgivande av preferensaktier och värdeöverföring i vissa fall / Limitation regarding issuance of preference shares and value transfer in certain cases

Om och så länge preferensaktier är utestående, så får inte beslut fattas om:

If and as long as any preference shares are outstanding, decisions may not be made on:

1. emission av ytterligare preferensaktier utöver de 12 499 828 preferensaktier som emitteras första gången preferensaktier emitteras,
2. utdelning eller annan värdeöverföring till innehavare av stamaktier,
3. återköp eller inlösen av stamaktier,
4. utgivande av aktier med, eller införande av en aktieklass med, samma eller bättre rätt till bolagets resultat eller med samma eller bättre likvidationspreferens än preferensaktierna, eller
5. förändring av de rättigheter som preferensaktierna har enligt denna bolagsordning.

1. *issue of additional preference shares than the 12,499,828 preference shares that are issued the first time preference shares are issued,*

2. dividend or other value transfers to holders of ordinary shares,
3. repurchase or redemption of ordinary shares,
4. issue of shares with, or implementation of a share class with, the same or better rights to the company's results or the same or better liquidation preference then the preference shares, or
5. amending the rights that the preference shares have in accordance with these articles of association.

Om och så länge preferensaktier är utestående, så får inte beslut, i tillägg till eventuella särskilda majoritetskrav som följer av gällande aktiebolagslagen, utan stöd från innehavare av minst 90 procent av de preferensaktier som är representerade på bolagsstämman, representerande inte mindre än två tredjedelar av de vid var tid utestående preferensaktierna, fattas om ändring av denna § 6 punkt 3.

If and as long as any preference shares are outstanding, decisions may not, in addition to any special majority requirements of the applicable Swedish Companies Act, without the support of holders of at least 90 percent of the preference shares represented at the general meeting, representing not less than two-thirds of the at each time outstanding preference shares, be made to amend this § 6 item 3.

4. Avkastning på preferensaktier / Yield on preference shares

Preferensaktie ska erhålla avkastning med en fast ränta om 6,5 procent PIK-ränta per år från och med tidpunkten för när preferensaktierna för första gången registreras vid Bolagsverket på ett belopp om 100 kronor per preferensaktie ("**Ursprungliga Emissionskursen**"). Räntan ska kapitaliseras årligen per den 31 december (och för första gången 31 december 2026) och läggas till och öka beloppet för den Ursprungliga Emissionskursen och det sålunda nya kapitaliserade beloppet ska därefter bära ränta enligt gällande räntesats.

*Preference shares shall bear a fixed interest rate of 6.5 percent PIK interest per annum from and including the point in time for when the preference shares for the first time are registered with the Swedish Companies Registration Office on an amount of SEK 100 per preference share (the "**Original Issue Price**"). Interest shall be capitalised yearly as of 31 December (and for the first time 31 December 2026) and shall be added to and increase the amount for the Original Issue Price and the new capitalised amount shall thereafter bear interest at the applicable interest rate.*

5. Inlösen av preferensaktier / Redemption of the preference shares

Minskning av aktiekapitalet, dock inte under minimikapitalet, kan ske genom inlösen av ett visst antal eller samtliga preferensaktier efter beslut av styrelsen. När beslut om inlösen fattas, skall ett belopp motsvarande minskningsbeloppet avsättas till reservfonden om härför erforderliga medel finns tillgängliga.

A reduction of the share capital, although not below the minimum capital, can take place through the redemption of a certain number of or all of the preference shares after a board decision. When a redemption decision is made, an amount corresponding to the reduction amount shall be allocated to the statutory reserve if requisite funds for this are available.

Fördelningen av vilka preferensaktier som skall inlösas skall ske *pro rata* i förhållande till det antal preferensaktier som varje preferensaktieägare äger. Om fördelningen enligt ovan inte går jämt ut skall styrelsen besluta om fördelningen av överskjutande preferensaktier som skall inlösas. Om beslutet godkänns av samtliga ägare av preferensaktier kan dock styrelsen besluta vilka preferensaktier som skall inlösas.

The distribution of which preference shares shall be redeemed shall take place pro rata in relation to the number of preference shares owned by each preference shareholder. If distribution as stated above does not work out evenly, the board shall make a decision on the distribution of surplus preference shares which are to be redeemed. If the decision is approved by all holders of preference shares, the board may, however, decide which preference shares are to be redeemed.

Lösenbeloppet för varje inlöst preferensaktie skall vara ett belopp beräknat enligt följande: (i) ett belopp motsvarande den Ursprungliga Emissionskursen, (ii) plus eventuell kapitaliserad ränta som har lagts till och ökat beloppet för den Ursprungliga Emissionskursen, och (iii) plus all upplupen och obetald ännu ej kapitaliserad ränta vid tidpunkten för inlösen, beräknad enligt § 6 punkt 4 ovan, (iv) minus eventuell utdelning som betalats avseende varje preferensaktie ("**Inlösenbeloppet**").

*The redemption amount for each redeemed preference share shall be an amount calculated as follows: (i) an amount corresponding to the Original Issue Price, (ii) plus any capitalised interest that have been added to and have increased the amount for the Original Issue Price, and (iii) plus all accrued and unpaid not yet capitalised interest at the point in time for the redemption, calculated in accordance with § 6 item 4 above, (iv) minus any dividend paid in respect of each preference share (the "**Redemption Amount**").*

6. Bolagets upplösning / Dissolution of the company

Vid bolagets upplösning skall preferensaktier medföra företrädesrätt framför stamaktier att ur bolagets tillgångar erhålla ett belopp per preferensaktie motsvarande Inlösenbeloppet, jämnt fördelat på varje preferensaktie, innan utskiftning sker till ägare av stamaktier. Preferensaktier skall i övrigt inte medföra någon rätt till skiftesandel.

In the event of the dissolution of the company, preference shares shall confer a preferential right over ordinary shares to receive from the company's assets an amount per preference share equivalent to the Redemption Amount, distributed evenly over each preference share, before distribution is made to holders of ordinary shares. Preference shares shall otherwise not entail any right to a distribution share.

För det fall skifteslikvid vid bolagets upplösning skulle understiga vad preferensaktie enligt ovan är berättigade och därmed inte räcka till full betalning till varje preferensaktie, ska varje preferensaktie erhålla samma procentuella andel (*pro rata*) av den skifteslikvid som lämnas till preferensaktierna vid bolagets upplösning.

*In the event distribution proceeds at the company's dissolution would be less than what a preference share in accordance with the above are entitled to and thus not be enough to cover full payment to each preference share, each preference share shall receive the same percentage share (*pro rata*) of the distribution proceeds that is paid to the preference shares at the time of the company's dissolution.*

7. Omräkning vid vissa bolagshändelser / Recalculation in the event of certain corporate events

För det fall antalet preferensaktier ändras genom sammanläggning eller uppdelning skall de belopp som preferensaktien berättigar till enligt punkterna 4-6 i denna § 6 omräknas för att återspegla denna förändring.

In the event the number of preference shares changes through a reverse split or split, the amounts to which the preference share provides entitlement as described in items 4-6 in this § 6 are recalculated to reflect this change.

8. Företrädesrätt / Preferential rights

Beslutar bolaget att genom kontantemission eller kvittningsemission ge ut nya aktier av olika slag, skall innehavare av stamaktier och preferensaktier ha företrädesrätt att teckna nya aktier av samma aktieslag i förhållande till det antal aktier av samma slag innehavaren förut äger (primär företrädesrätt). Aktier som inte tecknas med primär företrädesrätt skall erbjudas samtliga aktieägare till teckning (subsidiär företrädesrätt). Om sålunda erbjudna aktier inte räcker för den teckning som sker med subsidiär företrädesrätt, skall aktierna fördelas mellan tecknarna i förhållande till det sammanlagda antal aktier de förut äger i bolaget, oavsett huruvida deras aktier är stamaktier eller preferensaktier. I den mån detta inte kan ske vad avser viss aktie/vissa aktier, skall fördelningen ske genom lottning.

If the Company decides to issue new shares of different classes through a cash or offset issue, the holders of common shares and preference shares have preferential rights to subscribe for new shares of the same share class in relation to the number of shares of the same class the holder already owns (primary preferential rights). Shares not subscribed to on the basis of primary preferential rights shall be offered for subscription to all shareholders (subsidiary preferential rights). If shares offered accordingly do not suffice for the subscription that takes place with subsidiary preferential rights, the shares shall be distributed between the subscribers in relation to the total number of shares they already own in the company,

regardless of whether or not their shares are common shares or preference shares. Insofar as this cannot take place with regard to certain share(s), the distribution shall take place by lottery.

Beslutar bolaget att genom kontantemission eller kvittningsemission ge ut aktier endast av ett slag, skall innehavare av aktier av det slag som ges ut ha företrädesrätt att teckna nya aktier i förhållande till det antal aktier av samma slag innehavaren förut äger (primär företrädesrätt). Aktier som inte tecknas med primär företrädesrätt skall erbjudas samtliga aktieägare till teckning (subsidiär företrädesrätt). Om sålunda erbjudna aktier inte räcker för den teckning som sker med subsidiär företrädesrätt, skall aktierna fördelas mellan tecknarna i förhållande till det sammanlagda antal aktier de förut äger i bolaget, oavsett huruvida deras aktier är stamaktier eller preferensaktier. I den mån detta inte kan ske vad avser viss aktie/vissa aktier, skall fördelningen ske genom lottnings.

If the company decides to issue new shares of only one class through a cash or offset issue, the holders of shares of the class being issued shall have preferential rights to subscribe for new shares in relation to the number of shares of the same class the holder already owns (primary preferential rights). Shares not subscribed to on the basis of primary preferential rights shall be offered for subscription to all shareholders (subsidiary preferential rights). If shares offered accordingly do not suffice for the subscription that takes place with subsidiary preferential rights, the shares shall be distributed between the subscribers in relation to the total number of shares they already own in the company, regardless of whether or not their shares are common shares or preference shares. Insofar as this cannot take place with regard to certain share(s), the distribution shall take place by lottery.

Beslutar bolaget att genom kontantemission eller kvittningsemission ge ut teckningsoptioner eller konvertibler skall aktieägarna ha företrädesrätt att teckna teckningsoptioner som om emission gällde de aktier som kan komma att nytecknas på grund av teckningsoptionerna respektive företrädesrätt att teckna konvertibler som om emissionen gällde de aktier som konvertiblerna kan komma att bytas mot.

Should the Company decide to issue warrants or convertibles through a cash issue or offset issue, the shareholders shall have preferential rights to subscribe to warrants as if the issue concerned the shares that may be newly subscribed on the basis of the warrants or preferential rights to subscribe to convertibles as if the issue applied to the shares for which the convertibles may be exchanged.

Vad som sagts ovan skall inte innebära någon inskränkning i möjligheterna att fatta beslut om kontantemission eller kvittningsemission med avvikelser från aktieägarnas företrädesrätt.

That stated above shall not entail any restriction on the possibility of deciding on a cash issue or offset issue deviating from the shareholders' preferential rights.

Ökning av aktiekapitalet genom fondemission med utgivande av aktier får endast ske genom utgivande av stamaktier. Därvid gäller att endast stamaktieägarna har företrädesrätt till de nya stamaktierna fördelat efter det antal stamaktier de förut äger. Vad som nu sagt skall inte innebära någon inskränkning i möjligheten att genom fondemission, efter erforderlig ändring av bolagsordningen, ge ut aktier av nytt slag.

Increase in the share capital through a bonus issue with the issue of shares may only take place through the issue of common shares. Thereby, only the common shareholders have a preferential right to the new common shares distributed according to the number of common shares they already own. That stated above shall not entail any restriction on the possibility of issuing a new class of shares through a stock dividend, after requisite modification of the Articles of Association.

§ 7. Avstämningsförbehåll / Central Securities Depository Clause

Bolagets aktier skall vara registrerade i ett avstämningsregister enligt lagen (1998:1479) om värdepapperscentraler och kontoföring av finansiella instrument. Den aktieägare eller förvaltare som på avstämningsdagen är införd i aktieboken och antecknad i ett avstämningsregister, enligt 4 kap. lagen (1998:1479) om värdepapperscentraler och kontoföring av finansiella instrument eller den som är antecknad på avstämningskonto enligt 4 kap. 18 § första stycket 6-8 nämnda lag, ska antas vara behörig att utöva de rättigheter som framgår av 4 kap. 39 § aktiebolagslagen (2005:551).

§ 8. Styrelse / Board of Directors

Styrelsen ska bestå av lägst tre och högst fem styrelseledamöter utan styrelsesuppleanter. Styrelseledamöterna väljs årligen på ordinarie bolagsstämma för tiden intill slutet av nästa ordinarie bolagsstämma.

The board of directors shall consist of at least three and no more than five directors with no deputy directors. The directors are elected yearly at the annual general meeting for the period until the next annual general meeting.

§ 9. Revisorer / Auditors

För granskning av bolagets årsredovisning jämte räkenskaperna samt styrelsens och verkställande direktörens förvaltning utses en eller två revisorer med eller utan revisorssuppleant, alternativt ett registrerat revisionsbolag.
